Register now for this great opportunity to learn from an award-winning, Signature Staus Member of The American Watercolor Society.

Fresh flowers in the studio will be the inspiration for the beginning of this dynamic workshop - progressing to the head and figure. Through a series of fun painting exercises, students will develop a more loose and natural approach - giving them an opportunity to be more spontaneous and expressive in their paintings. We will learn to express translucent flesh tones while focusing on the gesture of the person.

Besides class demonstrations throughout the workshop, Janet will work individually with each person also, making sure they understand the painting concepts - a truly "hands-on" experience. Focusing on discovering how to control and make dynamic color, design and expression, we will also have "Show and Tell" - an opportunity to share and see how we exceed in our expectations!!!
