

## ***Pastel Painting***

Instructor: Mary Ann Trzyna

***Brilliant color, and expressive mark making—join us to explore the delightful experience of pastel painting.***

Pastel Painting class for all levels of students from beginner to advanced. Instructor will set up a still life each week and students may either work from this or bring their own photo references from which to work. This class will encourage individual exploration of subject, materials, and style. Guided critiques of student work will take place during class.

### **Materials List**

*Intermediate or advanced students are welcome to bring what materials they already have. This list is mostly intended for students new to pastels.*

Pastels: *No oil pastels please, the class is for Soft “Chalk” Pastels*

If you need to purchase pastels I recommend Rembrandt Soft Pastel set of 15 half sticks or NuPastels set of 12 sticks as good starter sets. Otherwise feel free to bring other brands of pastels that you may already have.
