

# McCord Gallery & Cultural Center MEMBERSHIP FORM

## A Welcoming Home for the Arts invites you to a Membership with benefits anyone would appreciate.

Since McCord Gallery & Cultural Center opened its doors in 2004, we have provided a home for the arts with art and music classes, cultural events, musical performances, and an outreach program. The outreach program was initiated to offer experiences in the arts to groups that often have little access to such programs. Currently, McCord teaches art classes to developmentally disabled clients from Park Lawn and to people living with Alzheimer's.

Like any 501(c)(3) non-profit organization, we rely on the generosity of donors and continued support through membership. Our mission is to preserve the McCord House as a learning center for the arts and cultural history while showcasing the artwork of local and regional artists.
